GOLDEN RULES: SUPPLIER'S ROLE IN THE UNILEVER PAYMENT PROCESS

Please find below the key steps to take to ensure your invoices will be paid on time:

- Step 1 :** Unilever South East Africa Private Limited (**UL**) contacts the **Supplier** to provide the goods or services.
- Step 2 :** **Supplier** sends the quote to **UL**.
- Step 3 :** **UL** actions the Purchase Order (PO/DO/MO) and sends it to the **Supplier**, who confirms pricing is correct before moving on to step 4.
- Step 4 :** **Supplier** can now commence the work for UL. **“No PO No Pay”** Policy. Without the PO, the supplier must not continue.
- Step 5 :** **Supplier** delivers the goods or completes the service to **UL**.
- Step 6 :** **Supplier** issues the tax invoice to **UL** once steps 1-5 are complete.
- Step 7 :** **Supplier's** tax invoice :
- Supplier** must place the **UL** PO/DO/MO number on their tax invoice.
 - Supplier's** tax invoice must be dated after the **UL** PO/DO/MO date.
 - Supplier's** tax invoice must be compliant with all regulatory requirements for VAT purposes (see example layout below).
 - Supplier** can only issue the tax invoice once goods or services have been rendered to **UL**.
- Step 8 :** Once goods and services have been delivered to **UL**, Supplier is to hand deliver, post or courier their tax invoices to UL. Do not submit invoices until the goods or services have been delivered to UL. Suppliers are to choose 1 method to submit invoices to UL (only post or only hand deliver not both).
- Step 9 :**
- Delivery notes are mandatory.
 - Delivery notes must be delivered to **UL** sites when goods are delivered. The Delivery note must reflect the PO/DO/MO number or supplier's tax invoice number.

Credit notes must reflect the **Supplier's** original invoice number or **UL's** PO/DO/MO number.

Banking details if varied banks are required for payment, the invoice must reflect the bank account to which the invoice must be paid.

Invoices not meeting local Tax Authority's requirements will not be processed by **UL** and will be rejected back to the supplier for rectification.
